Community Update

This year's pig roast was a huge success! There was face painting for the kids along with games and a candy flashlight hunt, raffle, a bags tournament, a bonfire, a delicious pig, and dancing into the evening. Thank you Tabatha Gwizdala for organizing another successful pig roast. Thank you for everyone who helped organize and set up the event and those who also helped clean up the following day.

We also hosted our first annual carp fest in the hopes of keeping the carp population low. Thank you Jim Lang for organizing this event.

Prior to the annual pig roast we had a park cleanup. We would like to thank all the community members who came out to help keep our park looking great. A special thanks to Boy Scout troop 93 from St. Peter's and Pack 964 from May Whitney for volunteering their time to help clean up the park.

This year we hired a lake management company to help take care of the lake during the swimming season. They did a great job keeping the lake looking clean and maintaining the health of the lake. We also had the water tested several times during the season to make sure it was safe for swimming. All the tests came back in the safe range except for one, which was taken a day after a rain. We closed the beach and posted no swimming signs. A follow up test was taken shortly after and came back in the safe range so the beach was reopened. The test showed the importance of following the county health department's recommendation of no swimming in any lake for 24 hours after a rain.

Halloween
Party

On Oct 31st, 7pm
Halloween Party and
bonfire at the Com-
munity Center.

Community
Meeting

On Nov 5th, Join us
at 7pm for our Fall
Community
Meeting.

visit us at:

echo-lake.org

fall

CALENDAR OF EVENTS

We are still looking for a vice-president for the board. Being on the board is a great way to stay informed and to help make important decisions about our community. Please consider volunteering your time. The Board meets once a month.

We have retained the services of Fullett, Roselund and Anderson P.C. to represent the Board and our HOA. We will be using them to help us maintain the standards of the HOA and in the collection of back dues.

A special thanks to Jay Gwizdala for mowing and maintaining the park. He stepped up and really helped the community by volunteering his time. He kept the park looking great this summer!

Kevin Dahm from Environmental Aquatics will be at the November 5th community meeting to answer any questions about the lake and its care.

Oct 31: Halloween Party

Join us for our Halloween party and bonfire at the Community Center beginning at 7pm. Bring your own drinks and snacks.

Nov 5: Community Meeting

Join us for the fall community meeting on Nov 5th at 7pm. Kevin Dahm from Environmental Aquatics will be at the next meeting to answer any questions about the lake and its care.

TBA: Wine Tasting

We plan to have a wine tasting sometime before the end of the year. Visit the website or look for the signs at the entrances for more on this event once it is finalized.
